

IV Marine Energy Conference

November 20th in Bilbao 2017, BIZKAIA ARETOA

The Conference is organized by Euskampus Fundazioa with University Basque Country (UPV_EHU), Tecnalia and BCAM.

9:00-9:15	Registration
9:15-9:30	Opening
9:30-10:00	Marine Energy Activities inside Euskampus Community
10:00-10:30	Keynote: Marine Energy Future from Scientific perspective (Elisabetta Tedeschi, NTNU)
10:30-11:00	Key Note: Direct FEM Simulation of turbulent flow in Renewable Marine Energy".Johan Janson – BCAM and KTH Royal Institute of Technology
11:00-11:30	Coffee-Break
11:30-12:00	Keynote: Offshore Wind from an Industrial perspective (Maite Basurto, Siemens-Gamesa,)
12:00-12:30	Technology and Market Analysis of Offshore Wind (VIA Inno, Université de Bordeaux)
12:30-12:45	Questions and Debate
12:45-13:30	Oral Poster Presentations (5min each)
13:30-13:45	Conclusions and Wrap-up
13:45-15:30	Lunch with Poster sessions
